Clive Richardson Limited have been working closely with Carrickfergus Golf Club for a number of years on the renovation and maintenance of their course. Working in partnership with Head Greenkeeper Duncan MacLeod and his team, CRL have played an important role in the development of the course.

Works undertaken by CRL include the construction of new greens on the 1st, 2nd, 3rd, 4th, 15th and 17th holes; the construction of new tee box complexes on the 2nd, 3rd, 4th, 5th and 6th holes; and, installation of a range of drainage including open drains, main drains, lateral drains, gravel slits and sand banding across the course.

CRL also deliver several specialised maintenance tasks annually including verti-draining, Airjetting, hollow-tining, solid-tining, Vredo seeding and sand-spreading as required throughout the year.

Post Contract

Clive Richardson Limited maintain a great relationship with the Club and its staff. We regularly carry out a range of works on the instruction of the Head Greenkeeper.
