Clive Richardson Limited were appointed by St Mary’s GFC Granemore in early 2019 to construct a new walking trail of approx. 1km around the existing football pitches at the club grounds in South Armagh.

The project also involved works to install associated pathway lighting, landscaping, gravel paths, asphalt areas, outdoor gym equipment, fencing and a new 3-phase electrical incomer to the club buildings.

Works were carried out on a live site whilst the club grounds were in constant use and CRL had to make the necessary plans to ensure that works were carried out in the safest manner.

Post Contract

Following the completion of this project, Clive Richardson Limited continue to work closely with the Club on the next phases of their club development plan.
