NI Water Provision of Grounds Maintenance

Various Locations, Northern Ireland

Title of Contract	C757 - Provision of Grounds Maintenance
Type of Contract	Public Utilities Goods and Services Contract
CRL Contract Number	012632
Contract Value	£446,000.00
Client	Northern Ireland Water, Westland House, 40 Old Westland Road, Belfast, BT14 6TE
Where the works were carried out	West Operational Area, Northern Ireland
Start Date	15/03/2016
Completion Date	14/03/2020

This contract is for the provision of grounds maintenance (including weed control) within NI Water sites located within the West Operational Area (Lot 4) of Northern Ireland. Services carried out by CRL under this contract include grass cutting, removal and disposal of grass cuttings (where appropriate e.g. first cut), edge maintenance, hedge trimming, shrub pruning, tree surgery and weed control. The majority of the work is carried out, in and around waste water treatment works, water supply sites, impounding reservoirs, services reservoirs, pumping stations, local offices etc. However any NI Water site(s) can be incorporated into this contract at any time during the Contract Period. These sites are both manned and unmanned.

Post Contract

This contract is currently on-going and has recently been renewed for an additional period of one year following an assessment of CRL's performance during the initial contract period.
